

Information Security Policy

BATZ states the **purpose** of **building a better world together by providing global, innovative and sustainable mobility solutions**. To this effect, BATZ commits itself to provide the means and resources required, as well as to motivate and involve its stakeholders in all the activities established for the achievement of its purpose.

This policy is oriented to ensure an effective protection of the information while **adding value to all the processes** and **ensuring the security, confidentiality and stability of the systems**, based on the **continuous improvement**.

Our key **objectives** are:

- **Protect the information** against the lack of availability, confidentiality and integrity.
- Establish and implement the **Cyber Security Plan Director**.
- Communicate and properly manage the **security issues**.
- Ensure the fulfilment of **legal and regulatory requirements** related to information security.

This policy is internally communicated and it is available for the organization's stakeholders.
